

## **RESPONSIBILITIES OF PARTICIPANTS**

*In agreeing to participate in this activity participants agree to:-*

1. Act under the reasonable instructions of the Activity Leader.
2. Dress and carry appropriate clothing for the activity and weather conditions.
3. Carry your own food and water (sufficient for the duration of the activity and weather conditions).
4. Carry your own first aid kit.
5. Carry a "Participants Emergency Contacts and Medical Information" form (in the top of your pack).
6. As a participant you need only do what you are comfortable in doing.
7. Read or be informed of the details in the Job Safety Analysis (JSA) for each of the tasks you are to carry out.
8. If you become aware of hazards not covered in the JSA process, immediately advise others in the vicinity of the hazard, and then advise the Activity Leader.
9. Stand clear of participants using motorised tools.
10. Only approach participants using motorised tools once you have made eye contact with them and they are aware that you wish to communicate with them and have either shut down the machine or otherwise made it safe for you to approach.
11. Stay with the work group or let someone know when you need to temporarily leave the activity site.
12. If you feel unwell, immediately let someone know, who will then notify the Activity Leader.
13. If accommodation is provided you may be required to share a room.
