## Club Connections - *ChatGPT & Vistaprint for Busy Volunteers*

On **Thursday 11th September 2025**, Bushwalking Victoria hosted two *Club Connections* sessions (afternoon and evening) to support busy volunteers with practical, time-saving tools.

**Key topics covered:**

- How clubs can use **ChatGPT** to create walk descriptions, grant applications, blog posts, emails, and more.
- How to use **Vistaprint** to design and order professional brochures, flyers, banners, and other affordable print materials.
- Practical, tailored examples for bushwalking clubs.
- An **open forum** where participants raised questions and shared ideas.

**Resources:**

- Recording of the session
- ChatGPT Prompts for Bushwalking Clubs
- Vistaprint for Bushwalking Clubs

**Ongoing opportunities:**

- Club Connections sessions are open to all clubs, with up to 2 representatives per club.
- Registration and upcoming session details are always available at bushwalkingvictoria.org.au/calendar.
- Suggestions for **future topics** are always welcome.
